

- *If you are getting 5-10 + marketing calls per day about your merchant account, YOU are OVERPAYING! We can help you eliminate the phone calls and show you how your business is being overcharged and HELP you!!!
- *If you really understand & believe your current deal is that good! We bet you a \$750 check it's not, or we will pay you \$750 dollars for wasting your time!
- *Many new laws have changed how you & your customers are charged...
- *Many merchants we help, are being charged horrible confusing rates. While being charged by multiple merchant account companies and stuck in confusing & brutal equipment leases. These charges will continue costing you hard earned money. UNTIL you TRUST 1 of the few honest companies out here like us to help!
- *We have funds set aside to buyout the nasty agreement(s) you may be in and the know how and means to really get them closed & canceled out.
